Dear Mr. Lane,

On behalf of the Board of Governors, the staff and *all* of the children, Shriners Hospitals for Children, Philadelphia extends its most sincere thanks and appreciation to you and the folks at Gamestop for donating the Game Cube and the new 2007 John Madden Football Game. We also very appreciative for the connection with Eileen at Gamestop and the forthcoming donation of an interactive Xbox Donation.

Shriners Hospitals for Children, Philadelphia is very appreciative of your commitment and dedication to the children. It is because of friends like you that we are able to continue to provide for the patients who are entrusted to our care. Again, thank you for keeping the children foremost in your mind and heart.

Since 1926, Shriners Hospitals for Children, Philadelphia has been providing expert medical care **at no cost** to children between the ages of birth to 18 years of age, with orthopaedic conditions resulting from injuries and diseases of the bones, joints and muscles as well as spinal cord injuries.
